## EDUCATION

### Diploma - Computer Engineering Sai Ganapathi Polytechnic College

2021 - Present

Visakhapatnam, AP, India

#### Courses

- Full Stack Web development
- Data Analyst
- Intermediate Proficiency in AI/ ML

### State Board - SSC Falah High School

2016 - 2021

Hyderabad, TS, India

#### Courses

- Diploma in Islamic Studies
- MS Excel

## PROFESSIONAL EXPERIENCE

### Full Stack Web Developer Software Development

2021

#### Achievements/Tasks

- As a web developer, I was initially captivated by the fascinating world of the internet, which motivated me to pursue a career in this field.

### Data Analyst Software Development

2022

#### Achievements/Tasks

- In the realm of data-driven decision-making, I serve as a critical bridge between raw data and actionable insights. With a deep proficiency in collecting, processing, and analyzing extensive datasets, I excel in extracting valuable information that empowers organizations to make well-informed choices.

### AI/ML Engineering Software Engineering

2022

#### Achievements/Tasks

- As an intermediate-level AI/ML engineer, I have honed my skills and knowledge in the field of Artificial Intelligence and Machine Learning, enabling me to contribute effectively to the development and deployment of intelligent solutions.

## SKILLS

Full Stack Web Developer

Data Analysis

GitHub

React

Node.js

Databases

Bootstraps

AI/ ML

Web Scraping

Numpy

Pandas

## PERSONAL PROJECTS

### Robo Face - Embedded Systems (2022)

- A cutting-edge innovation that combines advanced facial recognition and artificial intelligence to create a dynamic and engaging robotic companion. This intelligent face not only rotates to follow individuals in its vicinity but also offers real-time responses to questions and interactions.

### Porto Generator - Web Developer (2021)

- This project is designed to create a powerful online platform that represents you professionally and creatively.

### Sai Ganapathi Polytechnic college Website - Web Developer (2023)

- As a web developer and designer, I took the initiative to create and design the official website for Sai Ganapathi Polytechnic college. This project required a combination of technical and creative skills, where I leveraged my expertise in web development and design to bring our college's online presence to life.

### React Notes App - Web Developer (2022)

- As a web developer, I conceptualized, designed, and developed a full-featured Notes App using the React framework. This project exemplifies my skills in front-end web development, including React, JavaScript, and responsive design.

## CERTIFICATES

Data & Analytics (07/2023)

AI For India 2.0 (08/2023)

New Product Development (07/2023)

Machine Learning 101 (10/2023)

Python (07/2023)

Github (07/2023)
